Preface

It gives me immense pleasure in releasing the sixth edition of the Civil List of the Indian Economic Service updated as on 1st April, 2014.

The main objective of this Civil List is to provide information about the officers of the Service by incorporating promotions, transfers and posting etc. upto 1st April, 2014.

The contents of the Civil List 2014 are for the purpose of information and guidance only and do not confer any right/official sanction upon an individual in respect of the particulars given therein, including seniority.

Efforts have been made to avoid errors in this compilation. However, it is possible that certain errors may have crept in while undertaking the work of this compilation. Errors or omissions, if any, may be brought to the notice of IES Cadre, Department of Economic Affairs for subsequent rectification. Suggestions for improvement of this publication are welcome.

I am confident that Civil List 2014 of the IES will be useful to all the stakeholders.
