

OFFICE MEMORANDUM

Subject: Inviting applications for participation in one-week Summer School being organised by International Growth Centre (IGC) – Indian Statistical Institute (ISI) on the topic “Micro and Development Economics” to be held from 5th – 9th July, 2019.

International Growth Centre (IGC) in collaboration with the Indian Statistical Institute, Delhi (ISI, Delhi) is conducting a summer school, under the ambit of India Country Programme, on “Micro and Development Economics” to be held from 5th to 9th July, 2019 and in this regard has provided 7 slots for participation of IES Officers in the Programme.

2. The one-week summer school being organised by IGC-ISI, will focus on contemporary research methodologies and quantitative methods in respect of topical policy issues in the field of economics. The course will cover causal inference, micro-econometric methods for research using household and firm level data including randomised control trials and the latest research on policy issues such as environmental economics, development and gender economics.
3. IGC and ISI will bear all the cost for the participants in respect of the Training Programme. IGC will arrange for accommodation for the participants from outside Delhi and will reimburse travel and local expenses for all participants.
4. Officers adept at research techniques and having a strong background in empirical methods may submit their applications along with their CV, details of research work done and marksheet/transcript from their Masters/M.Phil/Ph.D. Programmes , **latest by 15th June, 2019 at the address– india@theigc.org** . An intimation in this regard may be sent to the undersigned vide email.
5. This issues with approval of the Competent Authority.
